

Original BMW parts Rear-view camera retrofit kit (SA3AG) X5/X6 (F15/F16/F85/F86)

NEWS:

- New model added

Product description

The rear-view camera gives the driver an unrestricted view of the rear of the vehicle and displays the area behind the car on the control display. The system offers greater clarity when reversing and parking below a speed of 15 km/h. On models with a trailer tow hitch, the rear-view camera also has an extended zoom function.

Sales features / benefits

- Easier parking and manoeuvring in even the narrowest of spaces.
- Safer driving.
- Unrestricted view of the rear.

Supplied package

- Rear-view camera retrofit kit

Technical information

- Only for cars with Park Distance Control (SA508)

Note

The retrofit kit comprises all add-on parts except the rear-view camera, which must be ordered separately. ◀
