## Original BMW parts Trailer tow hitch with removable ball head retrofit kit (SA235) X5/X6 (F15/F16/F85/F86)

### NEWS:

- New model added

### Product description

The trailer tow hitch with removable ball head can be fitted and removed easily. When not in use, the ball head is stowed safely in the luggage compartment. The trailer stability check, a system integrated into the DSC, is activated when the rear socket is occupied.

### Sales features / benefits

- When the ball head is removed, the trailer tow hitch is not visible.
- Theft-proof securing with lockable ball head.
- Problem-free, convenient operation.
- Can also be used for attachment of a bicycle carrier.

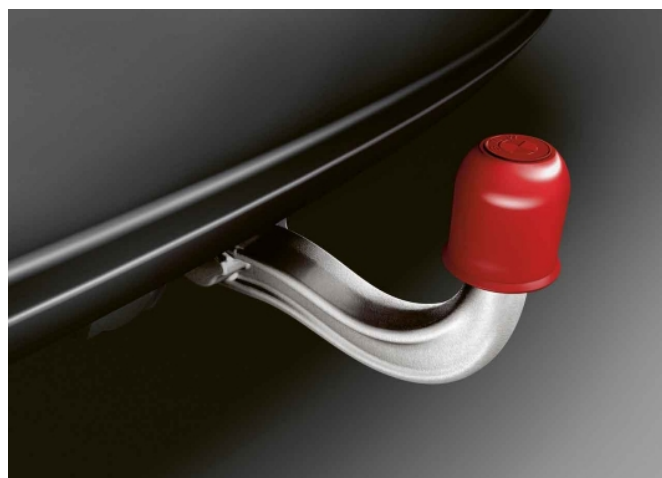

### Supplied package

- Removable trailer tow hitch
- Set of electrical components

### Technical information

- Trailer loads of up to 2700 kg
- Nose weight of up to 150 kg

See EPC for details of the kit's contents.
