

Original BMW Accessories M Perf. Alcantara steering wheel with carbon finisher 1 Series (F20, F21), 2 Series (F22), 3 Series (F30, F31, F34, F35) 4 Series (F32, F33, F36)

NEWS:

- Product information revised

Product description

The M Performance steering wheel is fully covered with high-quality Alcantara and flattened at the bottom. The diameter is 372 mm, the steering wheel cross-section is 39 x 32 mm. The steering wheel finisher is covered with open-pored carbon and Alcantara. The steering wheel also has a motorsport central marking in red leather at the 12 o'clock position and also boasts a silver-grey cross-stitch seam.

Sales features / benefits

- Alcantara over the entire area offers superlative grip on the steering wheel in extreme driving situations.
- Attractive, sporty design with hand-stitched, silver-grey cross-stitch seamwork, open-pored carbon and flattened steering wheel rim.
- Pleasant feel in hot or cold temperatures.
- Customises the car.

Cross-selling

The product is especially ideal for cross-selling with:

- M Performance interior strips
- M Performance gearshift lever knob with Alcantara gaiter and handbrake handle with Alcantara gaiter
- Carbon M Performance gear selector switch trim
- M Performance centre console finisher Gear selector made from Alcantara and carbon

Material

- Steering covered in high-quality Alcantara.
- Finisher made from Alcantara and open-pored carbon.

Supplied package

- Performance steering wheel rim with finisher

M Perf. Alcantara steering wheel with carbon finisher 1 Series (F20, F21), 2 Series (F22), 3 Series (F30, F31, F34, F35) 4 Series (F32, F33, F36)

Technical information

- Can generally be installed in all vehicles. The parts below can be adopted from the existing steering wheel or will need to be ordered and exchanged for the vehicle-specific SAs. Please be aware of the corresponding "Sport steering wheel" panel and the associated add-on parts.
- When exchanging the airbag unit, no de-coding is required. When installed with SA 248 (heated steering wheel), the heating function is disabled; it does not need to be decoded. The switch for the heated steering wheel remains without function.

1 Series (F20 and F21) cars built before 03/2014:

- **Basic or leather steering wheel (SA 240)** Adopted parts: Steering wheel cable and possibly electronics and vibration generator. Parts that cannot be adopted: Airbag unit and multi-function keys.
- **Sport steering wheel (SA 255):** All parts can be adopted.
- **M leather steering wheel (SA 710):** All parts can be adopted.

1 Series (F20, F21) cars built after 03/2014 and 2 Series (F22, F23) cars built after 11/2013:

- **Basic or leather steering wheel (SA 240)** Adopted parts: Steering wheel cable and possibly electronics and vibration generator. Parts that cannot be adopted: Airbag unit and multi-function keys.
- **Sport steering wheel (SA 255):** All parts can be adopted.
- **M leather steering wheel (SA 710):** It is recommended that the M Performance steering wheel II be installed since all parts can be adopted. See product information SZ_034_04_13 for more details.

3 Series (F30, F31, F34, F35) and 4 Series (F32, F33, F36) cars:

- **Basic or leather steering wheel (SA 240)** Adopted parts: Steering wheel cable and possibly electronics and vibration generator. Parts that cannot be adopted: Airbag unit and multi-function keys.
- **Sport steering wheel (SA 255):** All parts can be adopted.
- **M leather steering wheel (SA 710):** It is recommended that the M Performance steering wheel II be installed since all parts can be adopted. See product information SZ_034_04_13.

Note:

No entry in the vehicle's paperwork is required for the M Performance steering wheel II, and there is no need to carry an operating licence. Registration is regulated for the cars in question by BMW as part of the EC general regulation. ◀
