## Original BMW parts Pure Experience retrofit kit X5 (F15)

### NEWS:

- New product launch

### Product description

The Original Pure Experience retrofit kit is available with **high-quality stainless steel components** for all X5 (F15) models. It comprises a package which includes all small parts, stainless steel finishers, spars, side sills, ornamental grilles and fastening parts.

### Sales features / benefits

- The **value** of the vehicle is highlighted by an **attractive stainless steel effect**.
- Simple logistical handling, since all small parts have been put together in a single **retrofit kit**.
- The retrofit kit covers **all car features / engine versions** and offers a **considerable price saving** compared to buying the parts individually.
- The retrofit upgrades **used & accident vehicles, as well as leasing return cars**.
- Extensive installation instructions in the ASAP.

### Supplied package

- Visible undercarriage protection at the front, rear and sides in brushed stainless steel
- Kidney slats in matt silver
- Air inlets in the front bumper with slats in black and spars in matt silver
- Decorative strip in the rear bumper in chrome
- Various small parts  
See EPC for details of the kit's contents.

### Technical information

- The Pure Experience retrofit kit cannot be installed with the M Sport package (SA 715).

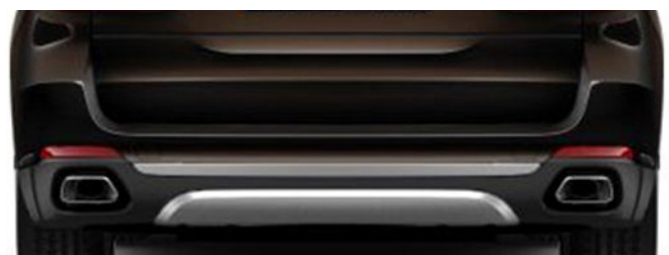

### Safety instructions:

Installation is performed as per BMW repair instructions.
