

Original BMW Accessories M Performance steering wheel 5 Series (F07, F10, F11) 6 Series (F06, F12, F13)

NEWS:

- Product information revised

Product description

The M Performance steering wheel is fully covered with high-quality Alcantara and flattened at the bottom. The diameter is 382 mm, the steering wheel cross-section is 40 x 32 mm. The steering wheel finisher is refined with painted carbon polished to a high gloss and features M Performance lettering in chrome. The steering wheel also has a motorsport central marking in red leather at the 12 o'clock position and also boasts a silver-grey cross-stitch seam.

Sales features / benefits

- Alcantara over the entire area offers superlative grip on the steering wheel in extreme driving situations.
- Attractive, sporty design with hand-stitched, silver-grey, cross-stitch seam and painted carbon finisher to match other Performance products (interior finishings / gearshift lever knob / gaiter).
- Pleasant feel in hot or cold temperatures.
- Customises the car.
- High quality M Performance trademark on carbon finisher in chrome.

Material

- Steering wheel of high quality black Alcantara with red leather marking in centre.
- Painted carbon finisher with multiple layer polyester resin finish.

Supplied package

- Performance steering wheel rim
 - 1 Carbon finisher
 - 1 Horn plate
 - 4 Bolts for horn plate
- See EPC for details of the kit's contents.

M Performance steering wheel

5 Series (F07, F10, F11)

6 Series (F06, F12, F13)

Technical information

- Can generally be installed in all cars except cars built after 11/2013 with SA 5AR (traffic jam assistant). The parts listed below can be adopted from the existing steering wheel or must be ordered new for the vehicle-specific SAs and exchanged accordingly. Please be aware of the corresponding "Sport steering wheel" panel and the associated add-on parts.
- When exchanging the airbag unit, no de-coding is required. When installing with SA 248 (steering wheel heating), the heating function no longer works and no decoding is required. The switch for the heated steering wheel remains without function.
- Can also be installed in F01, F02, F03, F04 and F18 cars!

Cars built before 07/2013:

- Sport steering wheel (SA 255) or M leather steering wheel (SA 710): All parts can be adopted.
- Basic steering wheel: Airbag unit, multi-function keys and possible vibration generator **must be ordered new and exchanged accordingly.**

Cars built after 07/2013:

- Sport steering wheel (SA 255): All parts can be adopted.
- Basic steering wheel: Airbag unit, multi-function keys and possible vibration generator **must be ordered new and exchanged accordingly.**
- M leather steering wheel (SA 710): **It is recommended that the M Performance steering wheel II be installed since all parts can be adopted. See product information SZ_075_07_13 for more details.**

Note:

No entry in the vehicle's paperwork is required for the M Performance steering wheel II, and there is no need to carry an operating licence. Registration is regulated for the cars in question by BMW as part of the EC general regulation. ◀
